Anatomy of a Cardinal

Ellendale High School is not just a place of learning. We are made up of many parts. There are **people**, both students and faculty. We are made of *School Spirit* and always have *good times* together. The students and teachers get **involved** whether it is sports, drama, dance, or Casper/SADD. We are who we are and **proud** to be it!!!

Senior Poem

*The Class of '09 is really quite a crew.
One could maybe guess that, from the things we say and do. There are twenty-five of us this year, not one of us alike. We will tell you in our poem, read by Shannon and Mike.*

Abe Anliker is wild, crazy, and fun, to say the least; and in the weight room, the kid is a beast.

Nathan Arnold is our football star, running over 2,000 yards.

Shannon Brauer is "the gangster", or so she thinks; she and Kelsey Mertz are like connected links.

Jeffrey Diemert is our class clown, and Mrs. Middlestead always turns him down.

Adam Heine is our class valedictorian; he is very smart, but we all know he's a farm boy at heart.

Jessica Jenkins, or better known as the "Princess of Darkness", hopes to one day become an artist.

Annie Kee, for sure, has very curly locks; you can always catch her in some crazy socks.

Cassie Kendall loves Michael Jackson; he sings Billy Jean; if you hurt any animals, she'll think you're a fiend.

Kierra Knox's laugh is one of a kind; a stylish outfit on her you will always find.

Krista Martin seems to be all smiles; she's so loud she could be heard for miles.

Shamee Merkel is in love with horses; she is very outspoken and has all the right sources.

Dixie Miller once had a dare to eat dead goldfish at the CASPER fair. Dixie eventually did eat the fish.

Kayce Olson is always doing some crazy dance, but we know she'll never give Jeff a chance.

Doris Payne's belch is very impressive; her reading would make you think she's obsessive.

Donny Pierce is a wrestler; he got 3rd at state. He is new to our class this year, and he always showed up late.

Michael Redlin is our funny man; he knows his sports and always has a plan.

Tyler Reisenauer is a golfin' fool; if you steal his cookies, he'll think it's uncool.

Alura Schweitz is very kind; when it comes to gym, she gives you a piece of her mind.

Sarah Shumaker is the littlest of the Shu's; unlike her brothers, she definitely has more of a clue.

Amanda Siro has similar features to JLO; you can always catch her jammin' out to the song "Halo."

Becky Spitzer never seems to be in class; she is always barefoot and having a blast.

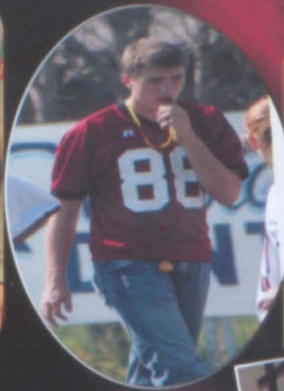

April Stanley can't stand people who are being the rudest, but no doubt about it, her giggle is the cutest.

Megan Taggart is a strong believer; she's always a very good goal achiever.

When Andrew's angry it's really quite a sight, but when it comes to basketball, he swung his elbows from left to right.

Jason Zundel, or better know as JZ, likes reading, video games, and has a bad case of ADD.

We've had many memories, both good and bad; in the end, though, they were the best times we've ever had.

Arnold Shatters Record

On Friday, September 12th, Senior Nate Arnold rushed an amazing 559 yards on 30 carries against the South Border Mustangs, setting not just a local, not just a state, but a national nine-man football record. Nate credited his line for holding their blocks and stated "We just played a good game (Friday) night. I did not think I would make that many yards."

Arnold went on to reach a total of 2,498 rushing yards in the ten game 2008 season.
